

DIGITAL ACTIVIST INCLUSION NETWORK

tackling technology together

The DAIN Project's Digital Activists (volunteers) support the local community by running technology sessions in venues across the city. Here is a list of what they can help with. If they don't know the answer, they will signpost to someone who does!

Free technology advice

Common questions on using the internet

- What can I do online?
- How can I pay for bills online?
- How can I use the internet for shopping?
- How can I get a Facebook account?

Common questions on mobile phones

- How do I get this off predictive text?
- How can I Bluetooth pictures to my computer?
- Should I get a smart phone?

Digital Activists can offer free advice on:

Advice on computers and their use

Using social media (Facebook, Twitter, etc)

Using instant messengers such as Yahoo! and MSN

use of office programmes, such as Microsoft Office

Advice on blogging (WordPress, Bloggr, etc)

using e-mail

Using Skype

Signposting to local IT courses

Support on computer accessibility

Advice on open source software

on Windows and Mac platforms

What to do with digital photos

Searching for online services

Uploading and sharing videos

... and much, much more!
